

Special Statement

- With the COVID-19 (Coronavirus) pandemic there is a lot of uncertainty and concern in the community. We are monitoring the situation closely to ensure your service is not interrupted.

Continuing our service to our customers and the safety of our employees, customers, partners, and all those being impacted globally by COVID-19 (Coronavirus) is our top priority.

We have activated our Business Continuity Plan and expect little impact to our business operations and we do not foresee any service interruptions as a result.

We care about the health of our customers, employees, and partners and want what's best for everyone during this stressful time. We encourage you to follow guidance from the [World Health Organization](#), such as staying home if you're sick, washing your hands frequently, and taking steps to keep your immune system strong and healthy.

Thank you for doing your part to help keep our communities safe.
