  - (c) **life annuity** means "life annuity contract" as defined in Pension Legislation that conforms with the Income Tax Act and Pension Legislation;
  - (d) **LIRA** means a "LIRA" or "locked-in retirement account" as defined in Pension Legislation and, where those terms are not defined, means a registered retirement savings plan that satisfies the conditions under Pension Legislation for receiving funds that originate from an RPP;
  - (e) **Pension Legislation** means the *Pension Benefits Act* (Nova Scotia) and its Regulations, governing locked-in funds transferred or to be transferred to the Plan directly or indirectly from an RPP;
  - (f) **RPP** means a registered pension plan governed by Pension Legislation or established by other legislative authority;

  - (h) **Trustee** means Canadian Western Trust Company;
  - (i) The terms "Annuitant" and "Plan" shall have the same meanings as are given to them in the Declaration of Trust; and
  - (j) Words defined in Pension Legislation have the same meanings in this Addendum unless otherwise defined herein.
2. **Compliance.** If locked-in funds are transferred or will be transferred to the Plan, directly or indirectly, from an RPP, the additional provisions of this Addendum form part of the Declaration of Trust. In case of any inconsistency between this Addendum and the Declaration of Trust, this Addendum will apply. The Trustee has filed the Declaration of Trust (including this Addendum) with and caused it to be accepted by the appropriate pension authorities in Canada. The Trustee will comply with all relevant provisions of Pension Legislation.

Subject to paragraphs 5, 6, 9, 10, 13, 14 and 15 of this Addendum, all money, including all investment earnings, that is subject to any transfer to or from the Plan as defined by the Declaration of Trust, is to be used to provide or secure a pension that would, but for the transfer and previous transfers, if any, be

required by the Act and Pension Legislation. The property of the Plan is exempt from execution, seizure or attachment, except as permitted in paragraph 7 or as permitted by Pension Legislation.

3. **Transfers to the Plan.** Only property representing locked-in funds originating directly or indirectly from an RPP, a LIRA, a life annuity the capital of which originated from an RPP, or another source permitted by the Act and Pension Legislation from time to time, may be transferred to the Plan. The Trustee will not accept any transfers to the Plan from a source or in circumstances not permitted by Pension Legislation.
4. **Investments.** The investments held in the Plan must comply with the investment rules imposed by the Income Tax Act for a registered retirement savings plan. The Plan may not directly or indirectly hold any mortgages where the mortgagor is the Annuitant, or the parent, brother, sister or child of the Annuitant, or the Spouse of any of those persons.
5. **Withdrawals.** Subject to paragraphs 6, 9, 10, 11, 13, 14 and 15 of this Addendum, no withdrawal, commutation or surrender of property is permitted except where:
  - (a) an amount is required to be paid to the Annuitant to reduce the amount of tax otherwise payable under Part X.1 of the Act in respect of this Plan; or
  - (b) as may be permitted by the Income Tax Act and Pension Legislation from time to time. Any such payment may only be made after the Trustee receives a waiver from the Spouse in the form and manner required by Pension Legislation.

Any transaction that is contrary to this paragraph is void.

6. **Disability Payments.** The Annuitant may withdraw all or a part of the property of the Plan where the life expectancy of the Annuitant is to be shortened to less than 2 years due to an illness or physical disability, as evidenced by the written opinion of a qualified medical practitioner. The payment or payments may only be made after the Trustee receives an application from the Annuitant in the form and manner required by Pension Legislation. The Trustee must give the Annuitant a receipt for the application stating the date on which it was received.

The Trustee is entitled to rely upon the information provided by the Annuitant in such application. The application that meets the requirements of the Regulations under Pension Legislation constitutes an authorization to the Trustee to pay money to the Annuitant from the Plan in accordance with Pension Legislation. The Trustee will make the payments to which the Annuitant is entitled under the Regulations under Pension Legislation within 30 days after the Trustee receives the completed application and accompanying documentation.

7. **Payments after Marriage Breakdown.** The property of the Plan may be subject to division under family law and Pension Legislation. The Trustee will make a payment or payments out of the Plan to the extent and in the manner permitted or required by applicable law:
  - (a) to effect a division of property, provided the payment is made pursuant to an order from the Supreme Court of Nova Scotia; or
  - (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance.
8. **Beneficiary Designation.** The designation of a person other than the Annuitant's Spouse as the beneficiary of the Plan will not be valid if the Annuitant has a Spouse who is entitled to survivor benefits under the Plan because of Pension Legislation.

9. **Death of Annuitant.** Following the death of the Annuitant, the property of the Plan will be paid to the surviving Spouse of the Annuitant unless the surviving Spouse is not entitled to survivor benefits under Pension Legislation. The surviving Spouse may instruct the Trustee to transfer the property of the Plan to a LIRA, LIF, or life annuity as permitted by Pension Legislation and paragraph 60(1) of the Income Tax Act.

If there is no surviving Spouse or where the surviving Spouse waives the spousal entitlement in the form and manner required by Pension Legislation, the property of the Plan will be paid to the person designated as beneficiary of the Plan, or if no such person has been designated, to the legal representative of the deceased Annuitant's estate.

10. **Transfers from the Plan.** Subject to any restrictions imposed by the Income Tax Act, the property of the Plan may be transferred to the issuer of an RPP, LIRA, LIF, or life annuity. Where the Plan holds identifiable and transferable securities, the transfer or purchase may, unless otherwise stipulated, at the option of the Trustee and with the consent of the Annuitant, be effected by remittance of the investment securities of the Plan.

Before transferring property of the Plan, the Trustee will:

- (a) write to the issuer of the recipient plan to notify it of the locked-in status of the property being transferred and Pension Legislation that governs the property; and
- (b) not permit the transfer unless the issuer of the recipient plan agrees to administer the transferred property according to Pension Legislation.

If the Trustee does not comply with the above, and the issuer of the recipient plan fails to pay the money transferred in the form of a pension or in the manner required by the Pension Legislation, the Trustee will provide or ensure the provision of the pension in a manner and in an amount that would have been provided had such property not been paid out.

11. **Maturity.** On or before December 31 of the year in which the Annuitant reaches age 71 (or such other date or age specified by the Income Tax Act for commencement of a retirement income), the property of the Plan must be used to purchase a life annuity that conforms with subsection 146(1) of the Income Tax Act and Pension Legislation. If the Annuitant fails to provide satisfactory written instructions to the Trustee, by December 31 of that year, for the purchase of the life annuity, the Trustee shall transfer the property of the Plan into a LIF opened and registered by the Trustee for such purpose in the name of the Annuitant. It is the sole responsibility of the Annuitant to ensure that any such property is a qualified investment for a LIF and to convert any unqualified investment into cash. Upon transfer of such property or cash to the LIF:

- (a) if the Annuitant has a Spouse, the Spouse will be the beneficiary upon the Annuitant's death; otherwise, the Annuitant shall be deemed not to have elected to designate any beneficiary upon death; and
- (b) the Annuitant shall be subject to all the terms and conditions of the LIF as stated in the documents pertaining thereto as if the Annuitant had at that time instructed the Trustee, to purchase the LIF and had signed the appropriate documents to effect such transfer, and had refrained from making the designation referred to herein.

12. **Life Annuity.** In addition to the rules imposed by the Income Tax Act, a life annuity purchased with the property of the Plan must comply with Pension Legislation and must be established for the Annuitant's

life. However, if the Annuitant has a Spouse on the date payments under the life annuity begin, the life annuity must be established for the lives jointly of the Annuitant and the Annuitant's Spouse, unless the Annuitant and the Spouse has provided a waiver in the form and manner required by Pension Legislation. Where the surviving Spouse is entitled to payments under the life annuity after the Annuitant's death, those payments must be at least 60 percent of the amount to which the Annuitant was entitled prior to the Annuitant's death. The life annuity may not differentiate based on gender except to the extent permitted by Pension Legislation.

The life annuity may not commence before the earlier of:

- (a) the earliest date on which the former member is entitled to receive pension benefits under Pension Legislation as a result of termination of employment or termination of membership in any pension plan from which the money was transferred into the LIRA; and
  - (b) the earliest date on which the former member is entitled to receive pension benefits under any pension plan described in clause (a) as a result of termination of employment or termination of membership in the plan.
13. **Option to Withdraw Small Balances.** The Annuitant may apply to the Trustee for a lump sum payment equal to the value of the entire contract if, on the date the Annuitant signs the application, the Annuitant is at least 65 years of age, and the value of the Annuitant's assets in all LIRAs, LIFs, and RPPs providing defined contribution benefits governed by Pension Legislation is less than 50 percent of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year. Such application by the Annuitant must be in the form and manner required by Pension Legislation. The Trustee will give the Annuitant a receipt for the application stating the date on which it was received.

The Trustee is entitled to rely upon the information provided by the Annuitant in such application. The application that meets the requirements of the Regulations under Pension Legislation constitutes an authorization to the Trustee to pay money to the Annuitant from the Plan in accordance with Pension Legislation. The Trustee will make the payments to which the Annuitant is entitled under the Regulations under Pension Legislation within 30 days after the Trustee receives the completed application for and accompanying documentation.

The value of all assets in all LIRAs, LIFs, and RPPs providing defined contribution benefits governed by Pension Legislation owned by the Annuitant when he / she signs the application under the Regulations under Pension Legislation will be determined in accordance with the most recent statement about each LIRA or LIF given to the Annuitant, and each statement must be dated within one year before the Annuitant signs the application.

14. **Option to Withdraw Due to Financial Hardship.** The Annuitant may apply to the Pension Regulation Division for a lump sum payment of not less than \$500 in cases of serious financial hardship as specified in Pension Legislation. Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.
15. **Option to Withdraw due to Non-Residency (Permanent Departure from Canada).** The Annuitant may apply to the Trustee for a lump sum withdrawal if the Annuitant has moved away from Canada permanently and has been absent from Canada for at least 2 years. The Annuitant must provide written evidence that Canada Revenue Agency has determined that the Annuitant has become a non-resident for the purposes of the Income Tax Act.

Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.

16. **Prohibition.** The property of the Plan may not be assigned, charged, alienated, anticipated or given as security or subjected to execution, seizure or attachment, except as permitted by Pension Legislation. A transaction that is contrary to this paragraph is void.
17. **Amendments.** From time to time, the Trustee may amend the Declaration of Trust (including this Addendum), if the amendment does not disqualify the Plan as a LIRA and if the amendment is filed with and approved by Canada Revenue Agency and applicable provincial authorities. The Trustee will give the Annuitant with 90 days written notice (including notice of the Annuitant's entitlement to transfer the property out of the Plan) of a proposed amendment, other than an amendment required by law.

The Trustee will not amend the LIRA if the amendment will result in a reduction in the Annuitant's rights under the Plan, unless the Trustee is required by law to make the amendment, and the Annuitant is entitled to transfer the property of the Plan under the terms of the Plan that existed before the amendment was made. The Trustee will notify the Annuitant of the nature of such an amendment and permit the Annuitant at least 90 days after the notice is given to transfer all or part of the property of the Plan.
